

Benton County EEOC Policy

Benton County is fully committed to Equal Employment Opportunity and to attracting, retaining, developing and promoting the most qualified employees without regard to their race, gender, color, religion, sexual orientation, national origin, age, physical or mental disability, citizenship status, veteran status, or any other characteristic prohibited by state or local law. We are dedicated to providing a work environment free from discrimination and harassment, and where employees are treated with respect and dignity. When a conflict occurs, we will promptly address the matter. Should an employee feel they have been unfairly treated, they should report the matter to their elected official, the human resources manager, and/or the county attorney.
